DO YOU SUFFER FROM A MEDICAL CONDITION OR DISEASE THAT PREVENTS YOU FROM WORKING?

Applying for Social Security Disability Insurance Benefits and Supplemental Security Income Benefits can be an intimidating process and the paperwork required is often overwhelming. In fact, incorrect or incomplete answers may cause denial or delay of your claim.

An experienced representative can make the difference in the outcome of your case. There is no charge to review your claim and we may be able to help you even if you have been denied for a claim in the past.

The Social Security Administration pays monthly benefits to individuals who are disabled. We have experience helping applicants qualify for these programs.
